VISIT OUR FAMILY DAY EXPO ON THE BERGER FAMILY
 LAWN TO ENGAGE IN FUN, BOOK-RELATED ACTIVITIES!

It is a 1986 horror novel by American author Stephen King. It was his 22nd book, and his 17th novel written under his own name. The story follows the experiences of seven children as they are terrorized by an evil entity that exploits the fears of its victims to disguise itself while hunting its prey. "It" primarily appears in the form of Pennywise the Dancing Clown to attract its preferred prey of young children. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry, the haunting is real....Â This book is gratefully dedicated to my children. My mother and my wife taught me how to be a man. My children taught me how to be free.
