Read about The Title by The Author and see the artwork, lyrics and similar artists. Hence unnamed mp3s are tagged as such. However, The Author is a Hardcore band from Brisbane, Australia. Formed in late 2009 by Joel Birch of The Amity Affliction, also featuring members of SKYWAY! and headaches. <http://www.myspace.com/theauthorhardcore> 2) The Author are also a band from The Channel Islands, who sound like a mixture between The Streets and Klaxons, if you can imagine such a thing, read more. Author Title Index for CSI Studies Archive Indexes. Author (CIA Office of Training) agrees that more research is needed for validation, but is not convinced that graphology can deliver as good a results as those obtained from current personal interview and personality testing procedures. "Assignment: Skyjacker" by Thomas Polgar, Stud. Intel.
