Populated by many of the most iconic figures of the twentieth century, 'Sacred Causes' provides a brilliant examination of how religion has shaped 20th-century Europe from the Great War until the modern-day War on Terror. Beginning with the chaotic post-World War I landscape in which religious belief was one way of reordering a world knocked off its axis, 'Sacred Causes' is a sweepingly assured critique of how religion has often been camouflaged by politics. Covering a vast canvas, Burleigh examines the many 'secular' religions the twentieth century produced, anal
