International Journal of Language and Linguistics (IJLL) is an open access and double blind peer reviewed international journal published by Center for Promoting Ideas (CPI), USA. The main objective of IJLL is to provide a platform for the international scholars, academicians and researchers to share the contemporary thoughts in the fields of language, literature and linguistics. IJLL aims to promote interdisciplinary studies in language, literature and linguistics and thus become the leading international journal in language, literature and linguistics in the world.
