Reference Lists are located at the end of the work and display full citations for sources used in the assignment. Here is an example of a full citation for a book found in a Harvard Reference list: Fitzgerald, F. (2004).  
Harvard Reference List Citations for Journal Articles Found on a Database or on a Website. When citing journal articles found on a database or through a website, include all of the components found in a citation of a print journal, but also include the medium ([online]), the website URL, and the date that the article was accessed. Structure: Last name, First initial. Series title, (Year published). [Type of Programme] Channel number: Broadcaster. Examples
