(1990) The New Performance Challenge: Measuring, Operations for World-Class competition, Business One Irwin, Homewood, IL. The Anachronistic Factory. Article. Recently, the speed of change related with enterprise management is getting faster than ever owing to the competition among companies, technique diffusion, shortening of product lifecycle, excessive supply of market. For the example, the compliance condition (such as delivery date, product quality, etc.) from the ship owner is getting complicated and the needs for the new product such as FPSO Measuring supply chain performance.
