Advice to ALL Students

Read carefully the directions and procedures given in this booklet so that you fully understand the enrollment process. ***It is your responsibility to know policies and meet deadlines as published.***

Admissions

Eligibility and Admission

Admission to the summer session for both days and evening classes is open to:

- All students currently enrolled at Fairleigh Dickinson University.
- Students enrolled at other colleges and universities
- High school graduates who have been accepted at Fairleigh Dickinson University or another college or university.
- College graduates interested in taking courses for enrichment or career purposes.
- Qualified high school students (specific courses).
- Individuals from the community.

Admission to the University for New Students

All individuals wishing to apply for admission to the University as new, readmit (did not attend Spring 2019) or transfer, should contact the Admissions Office on the appropriate campus.

Campus	Undergraduate	Graduate
Metropolitan	201-692-2553	201-692-2554/2563
Florham	973-443-8901	973-443-8905
Petrocelli College	201-692-2675	

Placement Testing Requirements

All incoming undergraduate students (full-time, part-time, transfer or international) must demonstrate a minimum level of English and Mathematics proficiency through testing or the use of transfer credits accepted by FDU. Students who do not meet the minimum levels of proficiency in English and Mathematics must take special courses designed to help them develop the required proficiency. ***Be advised that these special courses are not applicable to degree requirements.***

International graduate students must demonstrate a minimum level of English proficiency through testing. Students who do not meet the minimum level of proficiency in English must take special courses designed to help them develop the required proficiency.

Advising

Upon completion of the admissions process, new students will be directed to the appropriate department/advising center for academic advising and registration.

Registration

In-person registration is available in the Office of Enrollment Services Monday through Friday from 9:00 a.m. to 5:00 p.m. To register on WebAdvisor for all 3 Summer Sessions, please select '19/SU' in the drop down.

Summer Session Calendar 2019

First Summer Session: May 20 – June 29

March 15	Advance registration begins
May 20	Classes begin
May 27	Memorial Day Holiday
May 28	Last day to register or drop/add
May 31	Memorial Day Holiday make-up day
June 3	Last day to register for independent study
June 17	Last day for withdrawal
June 29	Classes end

Second Summer Session: June 10- July 20

March 15	Advance registration begins
June 10	Classes begin
June 17	Last day to register or drop/add
June 21	Last day to register for independent study
July 4	Independence Day Holiday
July 8	Last day for withdrawal
July 12	Independence Day Holiday make-up day (7/4)
July 20	Classes end

Third Summer Session: July 1- August 10

March 15	Advance registration begins
July 1	Classes begin
July 4	Independence Holiday
July 8	Last Day to register drop/add
July 12	Independence Day Holiday make-up day (7/4)
July 15	Last Day to register for independent study
July 29	Last day for withdrawal
August 10	Classes end

Important Information for Continuing Students

Web Registration

Summer 2019 registration begins on March 15, 2019. Web registration will be available to continuing graduate and undergraduate students currently enrolled for the Spring 2019 term. Students may register at any time between 8:00 a.m. and 11:00 p.m. up to the day before a class begins. Access WebAdvisor: <https://webadvisor.fdu.edu/>. See Page 5 for guidelines.

Undergraduate students: are required to meet with an academic advisor to prepare their summer schedule and to obtain access to register on the web. A student may register on the web at any time up to the day before a class begins for the Summer session. Please refer to [Holds and Registration Information](#) on WebAdvisor to check for any "Holds" that may block you from registration. Contact the corresponding department to resolve any hold that may inhibit you from Summer registration. You may also register in-person in the Office of Enrollment Services.

Guidelines for Web Registration using the Webadvisor system for Undergraduate students:

- Undergraduate students must meet with an advisor to gain access to register on the web.
- Undergraduates can only register for a maximum of 12 credits online. Additional credits must be processed in-person in the Office of Enrollment Services.
- If a student on probation registers for a 'future' term, the system will not allow the student to exceed the current restricted limit. The Dean's office will contact the student, if his/her probation and credit limit are extended into the future term and inform him/her to reduce their course schedule.
- The system will check for prerequisites and corequisites.
- If a student entered the University prior to 1996, he/she may have a problem registering for a class in which the prerequisite was completed prior to 1996.
- Transfer students may incur a block for Pre requisites that they completed at a former institution and required at FDU.
- If a course has one of the following 'restrictions' a student must register for this class in-person: DA/Department Approval Needed, DC/Department Chair Approval Needed, RC/Regional Center Approval Needed, HO/Honors Program Approval Needed.
- Other courses with a 'Restriction' will be validated within the system to ensure that the student meets the criteria. If they don't, they will be blocked from registering for the course.
- A registration form must be completed for each student who registers in person. The form requires the student and advisor's signature. The Enrollment Services copy must be forwarded to Enrollment Services within 24 hours.
- An EOF student must meet with his/her EOF advisor in addition to his/her academic advisor in order to gain access to Webadvisor.
- Students in the 5-year Quest program must meet with a Quest advisor in addition to their academic advisor in order to gain access to Webadvisor.
- If a student has a 'Hold' on his/her record due to an unpaid bill, medical records not presented to the Health Office, Dean's Hold, Loan Hold or any other hold, the student will be blocked from registration. Please view [Holds and Registration Information](#) on WebAdvisor to identify holds on your record.
- A student will acknowledge University policy regarding academic and financial terms prior to registering online.
- To register for all 3 Summer Sessions, please select '19/SU' in the drop down.

Some advisors may choose 'not to permit' their students the option to register online. If this occurs, the advisor should not release the hold flag in PERC. When releasing the hold flag, ALWAYS use the prior day's date, otherwise the release will not go into effect until midnight of the current date, thus blocking a student from registering before this time.

Graduate students: are encouraged but not required to meet with an academic advisor before registering on the web. **Many graduate courses have variable start dates: therefore, you may register for a course up to the day before a class begins.** Please refer to [Holds and Registration Information](#) on WebAdvisor to check for any "Holds" that may block you from registration. Contact the corresponding department to resolve any holds that may inhibit you from summer registration. You may also register in person in the Office of Enrollment Services.

Guidelines for Web Registration using the Webadvisor system for Graduate students:

- Graduate students are encouraged but not required to meet with an advisor prior to registering on the web.
- Graduate students can only register for a maximum of 12 credits. Additional credits must be processed in-person in the Office of Enrollment Services.
- Non matriculated students will not be permitted to register online.
- The system will check for prerequisites and corequisites. Waivers and substitutions will be recognized by the system as long as the information resides on the student transcript.
- If a student entered the University prior to 1996, he/she may have a problem registering in a class in which the prerequisite was completed prior to 1996.
- Courses with 'Restrictions' will be validated within the system to ensure that the student meets the criteria. If they don't, they will be blocked from registering for the course.
- Students in the 5-year Quest program must meet with a Quest advisor in addition to their academic advisor in order to gain access to Webadvisor.
- If a student has a 'Hold' on his/her record due to an unpaid bill, medical records not submitted to the Health Office, Dean's Hold, Loan Hold or any other hold, the student will be blocked from registration. Please review [Holds and Registration Information](#) on Webadvisor to identify holds on your account
- A student will acknowledge University policy regarding academic and financial terms prior to registering online.
- To register for all 3 Summer Sessions, please select '19/SU' in the drop down.

Some advisors may choose 'not to permit' their students the option to register online. It is the advisor or Program Director's responsibility to inform the student of his/her program's policy.

Please note: If you are registering for 3, 4, 5, or 6- week module courses and they are prerequisites for one another, you must register for the courses in sequential order and you must register for one course at a time and finalize each transaction.

In order to register on the web, a student must be registered for the current term, have a Webmail account and a Webadvisor account. Webmail creates an FDU email account. Webadvisor is the program that gives you the access to register, view your academic record, billing and financial aid awards.

Please check your schedule for accuracy when you complete the registration process.

When selecting courses - if you select a course for which you are not eligible to enroll, your entire schedule will not be processed. Please delete this course in order to proceed and finalize your registration.

Please note: A student must create a Webmail account before he/she can gain access to Webadvisor.

To create a Webmail account, go to: <https://webmail.fdu.edu>
You will receive a login and password to Webadvisor the next business day. For assistance with Webmail call the Help Desk at 973-443-8822. For assistance with Webadvisor send an e-mail to webadvisoradmin@fdu.edu.

Page 6

Department/Advising Centers will arrange advisement and provide scheduling forms during the registration period. Students should contact their departments/advisors to arrange advising appointments.

All **Graduate** students are encouraged to see their advisor prior to registering. All **Undergraduate** students are **required** to meet with their academic advisor before registering for classes.

Visiting students must go to the Admissions Office prior to registration to complete an application.

Non-matriculated (non degree-seeking) students who wish to matriculate (file for degree status) should contact the Office of Enrollment Services/Records prior to registering.

Graduation Requirements Students are ultimately responsible for meeting graduation requirements and should check the catalog for degree requirements and/or corequisites. Students are required to file for graduation at least eight months prior to their expected date of completion. Early filing is encouraged.

September Graduation – File by prior year March 1 date

February Graduation – File by prior year June 1 date

May Graduation – File by prior year November 1 date

Administrative Holds placed on a student's record may prevent registration. Proof of clearance or a release must be presented to the Office of Enrollment Services at the time of registration. Students can obtain clearance for holds from the appropriate office.

Course Master Schedule Changes

• Canceled Classes

The University reserves the right to cancel any class for which there is insufficient enrollment, to close a class when the enrollment limit in that class is reached, and to make any schedule changes required, including a change of hours, days and campus location. When and if possible the department making the change will notify students of such changes.

• Faculty Assignments

The University reserves the right to make last-minute changes in faculty assignments owing to circumstances of an unforeseen nature.

Registration, Tuition and Billing

Summer Session Tuition and Fees

All fees, tuition and charges are subject to change at any time at the discretion of the University's Board of Trustees.

Summer Session I, II & III Tuition

Undergraduate Tuition:

Per credit \$997

Graduate Tuition:

Becton College / New College Per Credit \$1,272

University College:

Education	\$1,272
History, Pol. & Int'l Studies	\$1,272
Natural Sciences	\$1,272
Psychology	\$1,272

Systems Science	\$1,334
Comp. Science & Engineering	\$1,334
Nursing & Allied Health	\$1,334

Silberman College \$1,334

Doctoral Programs:

Clinical Psychology	\$1,391
School Psychology	\$1,391
Nursing	\$1,391

Note: Students in "special billing" programs should consult their dean or director for tuition and fees.

Summer Session I, II & III Fees

Registration

Undergraduate Registration	\$23.00
Graduate Registration	\$23.00

Technology Fee

Per credit \$12.00

Wellness Education Fee

\$4.00

Payment Information

Payment in the form of check or money order is accepted in the Office of Enrollment Services. Cash payments are limited to a \$1,000 daily transaction. In addition, the University offers a secure online payment method through Webadvisor. Please refer to "Make a Payment". A service charge for the convenience of this alternative method of payment will be applied to credit card transactions. Please refer to the Enrollment Services link at <http://inside.fdu.edu> for further details.

Corporate Reimbursement Plan

Students who are reimbursed by their employers at the end of a semester and upon submission of a grade can enroll in the Corporate Reimbursement Plan. The enrollment forms are available in the Office of Enrollment Services. A 4% carrying charge will be assessed at the time of application. Payment for the Summer Session I & II is due on or before August 15, 2019. Payment for Summer III is due September 30, 2019. The plan is term specific. Payment received after the due date will be subject to a late fee.

Corporate Voucher/Direct Payment

Students who have corporate sponsorship must submit a voucher at the time of registration. The University will forward the voucher and a statement of account to the corporation for payment.

Employee Educational Tuition Grants (ETG)

Employees or dependents of employees must apply for an Educational Tuition Grant (ETG) through the Office of University Human Resources prior to being registered. Employees are responsible for all other fees. The tuition credit will be applied to your account by the Financial Aid Office three weeks after the start of the term.

Correct Sections

Students are responsible for attending the correct course section – day(s), time(s), building and room – as indicated on their schedules. The submission and processing of a properly signed registration form to a student’s home campus Enrollment Services Office creates a contract with the University which results in the holding of all class seats. This processing produces an indebtedness to the University. 100% tuition cancellation can only occur if the withdrawal process takes place before the beginning of the session.

Non-attendance in a class or non-payment of tuition does not constitute an official withdrawal nor does it guarantee a tuition refund.

Closed Course

When a student attempts to register for a course which is closed the student may petition to be admitted into the course. Students may obtain the closed course authorization card from the department offering the course. Students are responsible for securing the necessary signatures and then bringing the authorization card and the Registration Form/Change of Program Form to the Office of Enrollment Services.

Late Payment Charge

Summer payments are due at the time of registration. If payment is received after the start of the term, a late fee will be assessed as follows:

- Weeks 1 & 2 2%
- Weeks 3 & 4 4%
- Weeks 5 & 6 6%

Accounts turned over to the Collections Department will be assessed a 6% charge.

Withdrawals

- a) **Non-attendance or non-payment of tuition does not constitute an official withdrawal.** An official drop form must be filed with the Office of Enrollment Services/Records. A 100% refund is granted only when a student withdraws prior to the first day of the session.
- b) Undergraduate and graduate students may withdraw from classes without academic penalty, receiving a grade of “W” until the date specified in the Summer Session Calendar for that session as specified above.
- c) The grade of “W” will apply on all withdrawals. This grade will not be credited toward the baccalaureate or graduate requirements nor will it be averaged into the cumulative grade point ratio.
- d) Any change in a student’s schedule after the term begins must be made in writing, with the student’s signature to the Office of Enrollment Services/Registration. Forms to delete a course(s) or withdraw completely from the University are available in the Office of Enrollment Services on each campus.
- e) All mail requests for withdrawal shall be sent to the Office of Enrollment Services. The effective date of the withdrawal will be the date the student last attended class.

Tuition Refund Schedule

Effective Date of Change	Refund to Student
6 - 12 Week Sessions	
Prior to first day of session	100%
During 1 st week of session	75%
During 2 nd week of session	50%
After 2 nd week of session	0%

Fees are non-refundable after the start of the first day of class.

• **Refund Policy, Title IV Recipients**

Federal regulations require specific refund calculation for students receiving Title IV financial aid who completely withdraw from the University or have a change of status from Full Time to Part Time. Title IV financial aid includes the following federal student aid programs: Federal Perkins Loans, Federal Supplemental Educational Opportunity Grants (SEOG), Pell Grant, TEACH Grant, Direct Subsidized/Unsubsidized Loans and Direct PLUS/Graduate PLUS Loans.

The amount of federal aid a student earns is determined on a prorated basis and is based on the date of withdrawal. Once a student completes more than 60% of the payment period, all of the federal aid the student is scheduled to receive for the period is earned. If earned funds are not received prior to the date of withdrawal the student may be due a post-withdrawal disbursement. Students eligible for post-withdrawal disbursements will be notified – the University must receive permission from the student before it can disburse these funds. The student will have 14 days of receipt of notification to accept/decline the post withdrawal disbursement.

Page 8

Calculations for Return of Title IV funding is performed as follows:

1. Determine date of withdrawal
2. Calculate the percentage of the enrollment period completed as of the date of withdrawal
3. Calculate percentage of Title IV aid the student earned as of the date of withdrawal
4. Calculate the amount of Title IV aid that must be returned/repaid to the programs
5. Federal aid is returned in the following order:
 - a. Unsubsidized Direct Loan
 - b. Subsidized Direct Loan
 - c. Direct PLUS/GRAD PLUS Loan
 - d. Pell Grant
 - e. Federal SEOG Grant
 - f. Federal TEACH Grant
 - g. Other sources of federal aid

Students who receive Title IV funding and who officially withdraw from the University will be subject to the Return of the Title IV calculation in determining earned aid. Students who receive Title IV funding and stop attending classes without official notification to the University, whereby a last date of attendance cannot be determined, will be subject to a Return of Title IV calculation based on attendance through the midpoint of the payment period or the last date of an academically related activity in which the student participated.

Collection Fee

By endorsing the registration agreement the student enters into a contractual agreement with Fairleigh Dickinson University and has a financial obligation to pay expenses incurred during enrollment. In the event the student defaults on his or her financial obligation and the account is submitted to a third party agency for collection, the student will be responsible to pay all collection costs associated with the account as well as the past due balance. A 6% late fee will also be assessed to the unpaid balance.

Recipients of Scholarships (Grants, Stipends, and Waivers) and Fellowships

Section 117(b)(2) of the Internal Revenue Code requires that you report any scholarships (including grants such as Pell, SEOG, or NJ State Grants, stipends, and waivers) and fellowships received in payment for room, board, equipment, travel, teaching, research, or other services. **Payment for tuition, fees, books, supplies & equipment required for courses of instruction are not subject to tax.** For further information, see IRS Publication 520 on Scholarships & Fellowships.

Independent Study

Independent Study course forms are available in the Office of Enrollment Services. If the course is taken at the student's home campus, signatures are required by the dean of the college of the major, the chairperson of the major and the mentor of the course. When an Independent Study course is not within the department of the major on campus, the signature of the chairperson of the department of the course is also required. If the course is taken cross-campus, signatures are also required by the cross-campus college dean and the cross-campus course

chairperson. When all signatures are acquired, forms must be returned to the Office of Enrollment Services. Deadlines for Independent Study are listed in the calendar on page 4.

University Core

All freshmen entering the university are expected to complete the 8-credit, four-course University Core. The sequence of Core courses will usually be completed by the end of the sophomore year. UNIV 1001 AND UNIV 1002 must be taken sequentially. UNIV 2001 and UNIV 2002 may be taken in either order after the UNIV 1001 and UNIV 1002 have been completed. Additionally, no student may take UNIV 2001 or UNIV 2002 who has not successfully completed ENGW 1101, ENWR 1101, or ENGL 1101. Students who enter in Fall 2015 and thereafter will take these courses:

UNIV 1001 Transitioning to University Life
UNIV 1002 Preparing for Professional Life or an authorized* substitute course
UNIV 2001 Cross Cultural Perspectives
UNIV 2002 Global Issues

New University Core Transfer/Exemption Policy

- a. Students entering the University with 30 or more credits will be exempted from taking Transitioning to University Life (UNIV 1001)
- b. Students entering the University with 45 or more credits will be exempted from taking Preparing for Professional Life
- c. Adult learners also will be exempted from taking UNIV 1001 and UNIV 1002
- d. All students must take Cross-Cultural (UNIV 2001) and Global Issues (UNIV 2002) regardless of number of transfer credits. Transfer credits will not be granted for UNIV 2001 or UNIV 2002.
- e. No other exemptions are contemplated

Records

Change of Name, Address, Major, Etc.

All changes relating to a student's permanent record must be made through the Office of Enrollment Services/Records by submitting the appropriate form. Students are responsible for ensuring that the University has their correct address.

Declaration for Graduation

Students planning to complete their degree requirements must file a Declaration for Graduation form in the Office of Enrollment Services/Records. Students are required to file for graduation at least eight months prior to their expected date of completion. Early filing is required. See page 6 for filing deadlines.

Security

Identification Cards

All students are required to carry University identification cards. These cards may be obtained at the Metropolitan Campus - Public Safety/Security Office, Florham Campus - Public Safety/Security Office. Photographing, identification card processing and validation schedules are posted at all campuses.

Parking

All cars must display an official decal which is available from The Metropolitan Campus Public Safety/Security Office, 870 River Road, Florham Campus Public Safety/Security Office, The Barn. Failure to display a decal will result in ticketing and a fine.

Special Programs

- **Alumni Plan**

University alumni may take courses on an audit-only basis at a reduced tuition rate. Alumni currently enrolled as students in the University are not eligible for this plan. Tuition information, applications and registration forms are available in the Office of Enrollment Services. Applications and registration forms must be processed in person.

- **Family Plan**

Two or more related dependent undergraduate students will each receive \$1,250 per year as a Family Grant. For further information, contact the Campus Financial Aid Office.

Affirmative Action Statement

No person acting within the scope of his or her authority and responsibility at Fairleigh Dickinson University shall discriminate on the basis of race, color, creed, sex, sexual orientation, national origin, handicap, military status, or age.

Internship Program

Integrates classroom theory with a supervised learning experience related to a student's academic area. Students can earn academic credit if they meet program criteria and receive approval from their academic advisor. Whether a student achieves this goal through a formal co-op/internship (credit bearing) or a non-credit bearing (part-time job or mentoring experience), the ultimate goal is the same, empowering, motivating and engaging students to make the connection from classroom to workplace.

It is recommended that students meet with a Career Development professional to further discuss their options. For further information, please call 973-443-8945.

Programs in Language, Culture, and Professional Advancement (PLCPA)

Mutiara Mohamad, EdD, Director, Bancroft Hall,
Room 318, Metropolitan Campus, 201-692-2833 The
program serves the English language proficiency needs
of the international students who seek degrees in
programs offered by University College and Silberman
College on the Metropolitan Campus. PLCPA replaces
ELI (English Language Institute), and courses called
English for Professional Success (EPS) replace most of
the English as a Second Language (ESL) courses.
